

✠ Taking Up Our Cross ✠

(a response to the Sunday of the Holy Cross and the Feast of the Annunciation lesson)

In this lesson, we have learned about the Sunday of the Holy Cross and about the Annunciation of the Holy Theotokos. Christ Himself set an example for us when He carried His Cross all the way to His death. The Holy Theotokos carried her “cross” throughout her whole life. We have seen how both of them carried their hardship and suffering, their cross, without complaining, and how God was able to turn their cross into salvation for the world.

What is your cross to carry right now? How will you carry it so that God can turn your cross into salvation for you and for those around you? Draw or write about it here:
