

# The Parable of the Mustard Seed Activity Page 1

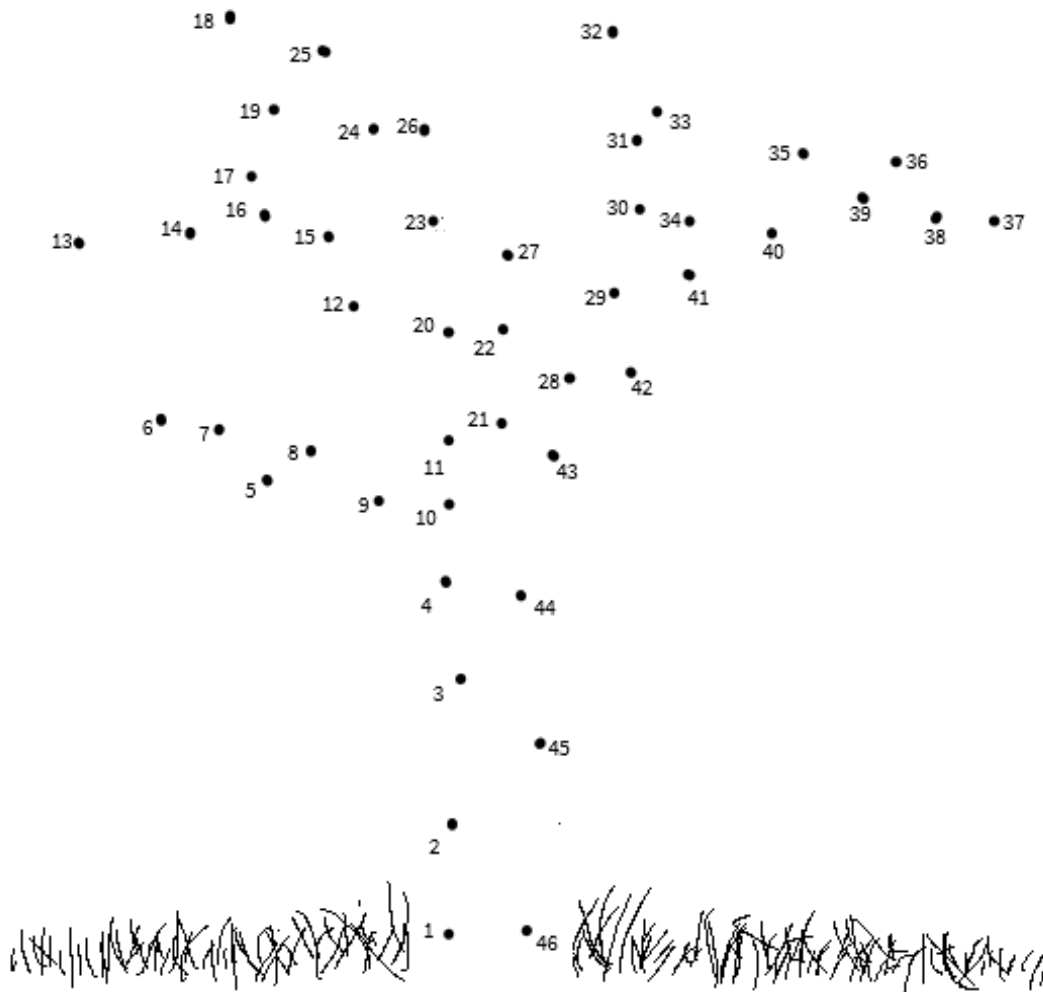

A mustard seed is so tiny! Have you ever seen one? It looks like a tiny dot!

Draw a dot in the box. If you use a fine-tipped marker to draw it, your dot will be just about the size of a real mustard seed!

But the mustard seed does not stay tiny, does it? It grows into something big! What does it grow into? It can become 8-20 feet tall, depending on the variety of mustard! Connect the dots to find out.

Full-grown mustard

Jesus tells us that something comes to find rest in this. What finds rest in it, and where do they rest?

Draw them in place, to finish the picture of the grown mustard seed.
