

The Parable of the Leaven Activity Page 1

If we mix some sort of leaven, like yeast, into bread dough, it helps the bread to grow soft and delicious. In the same way, if we work the Kingdom of Heaven into our life, it will help us grow soft hearts.

Solve the maze to help the baker mix the leaven through the bread dough, to make a yummy loaf of bread. Along the way you will find letters. Circle all of the letters which you pass along the trail, and then unscramble them to find the secret word. (Hint: yeast may look like it is a dead thing, but it is this: the secret word!)

The secret word is _ _ _ _ _
