

The Parable of the Unmerciful Servant Activity Page 1

In this parable we talked about how important it is to forgive. When we forgive others, God can forgive us! When we do not forgive, we are disconnected from other people, and also from God. This letter maze can help us remember how to reconnect with others and with God, too. Draw yourself, wearing your favorite t-shirt. Then follow the letters to spell “I forgive you”. You will reconnect yourself with the church, where God and other people are!
