

## Thanksgiving Activity Page 1

At Thanksgiving, we take a whole day to think about how we have been blessed with, and to be thankful for those blessings. St. Ambrose tells us that thanksgiving is not just for one day: it is for every day! If we want to be content with our life and have joy, he says, we should do this! Decorate these words, draw an illustration, and put them in your room to remind you how to begin every day.
