

The Parable of the Tower Builder and King Activity Page 1

Has this tower builder planned ahead? Does he have everything that he needs to build his tower? Find out by helping him with his build! Cut out the pieces and arrange them in place on the tower. When you have them all in place, help the tower builder finish his work by gluing them into place. (If you don't have scissors and glue, you could write the words into place. Just copy each word into its corresponding block on the tower, being careful to keep them in the same groupings that they are in on the right side of the page!)

Does he have all that he needs? If not, can you help him to finish his tower?

How are YOU planning ahead so that you can build a solid Christian life? What are you doing? Write or draw about it here:
