

The Parable of the Tower Builder and King Activity Page 2

In both of these parables, we learn to sacrifice everything in order to truly follow Christ. Write an acrostic poem about this, based on the word “sacrifice”. Maybe your poem will be a story about sacrifice. Or maybe it will be a list of words or phrases related to giving up earthly things in order to better follow Christ. It may rhyme. It may not. You write it as you wish, and then share it with someone, and encourage them to be willing to sacrifice as they follow Christ, too!
